## EDUCATION

**Princeton University** 2013—2017

*Computer Science, B.S.E.* 3.75 GPA

*Certificate in Applied Mathematics*

Relevant coursework includes:

- COS217 Programming Systems
- COS226 Data Structures and Algorithms
- COS445 Game Theory

**University of Utah** 2009—2013

*Computer Science/Mathematics* 3.84 GPA

Took mathematics and computer science courses since freshman year of high school due to having exhausted available options.

**West High School** 2009—2013

*Honors and IB Diploma* 4.43 GPA

## EXPERIENCE

**R&D Software Intern** 06/15—08/15

*Microsoft*

Full-stack development on a variety of technologies.

**R&D Software Intern** 06/14—08/14

*Bloomberg L.P.*

Developed natural language processing algorithms to automate live text analysis and question answering in C++ and Python.

**Lab TA** 01/15—present

*Princeton University Computer Science Dept.*

Tutoring and aiding computer science students in completing assignments and understanding fundamental concepts.

**Web Editor** 02/15—present

*Daily Princetonian*

Maintaining and developing the website of Princeton's largest student publication.

**Full-Stack Developer** 01/14—12/14
